Sir:

The undersigned attorney recently received authorization from the owner of the above-identified application to determine its status in the U.S. Patent and Trademark Office.

The file history has been obtained, pursuant to a Power of Attorney filed for the application on May 10, 2007.

A review of the file history reveals that a Petition for Revival of this application was filed pursuant to 37 C.F.R. 1.137 (b) in the U.S. Patent and Trademark Office on March 28, 2001 and that the payment of the petition fee, and filing fee (unintentionally omitted by the prior attorneys of record at the time of filing the application, and the cause of the abandonment) was processed and credited by the U.S. Patent and Trademark Office.

Despite entry of such Petition and USPTO receipt of applicable fees, no action has been taken by the U.S. Patent and Trademark Office on the Petition.

A copy of the Petition filed March 28, 2001, bearing the mail receipt stamp of the USPTO as well as the USPTO stamp indicating fee payment, is enclosed as Exhibit A hereof.

It is requested that the USPTO Petitions Office immediately investigate this matter, and reinstate the patent application to pending status for further prosecution by the applicant.

It is requested further that correspondence relating to this application be directed to the undersigned attorney, consistent with the Revocation of Power of Attorney With New Power of Attorney and Change of Correspondence Address filed in this application on May 10, 2007.

A copy of this request is concurrently being sent to the attention of John Love, as Deputy Commissioner for Patent Examination Policy, to assist in the determination of why no action has been taken on the Petition in this application.

2771-351

For the sake of good order, a copy of the Revocation of Power of Attorney With New Power of Attorney and Change of Correspondence Address filed in this application on May 10, 2007 is likewise enclosed as Exhibit B.

**PETITION FOR REVIVAL OF THIS APPLICATION FOR UNINTENTIONAL
ABANDONMENT UNDER 37 CFR 1.137(b)**

Pursuant to 37 CFR 1.137 (b), Applicant petitions the Office for revival of this application, which was unintentionally abandoned for failure to include the filing fee by the 30 month deadline required for nationalizing an application in the United States from a PCT application as required by 37 CFR 1.495(b)(2).

The requisite petition fee, the filing fee, and an inventor declaration are enclosed herewith.

The entire delay in filing the required fee from the due date until filing of a grantable petition under 37 CFR 1.137(b) was unintentional.
